[Home](#) > I filed a proof of claim in the wrong bankruptcy case, how do I make a correction?

---

**Answer:**

Prepare a new document that withdraws the proof of claim. File the withdrawing document in the “wrong” bankruptcy case using the event *Withdrawal of Claim*. The *Withdrawal of Claim* event is located in the Claim Actions category in the Bankruptcy menu. Then file your proof of claim in the correct case.

**FAQ Category:**

CM/ECF and PACER
